

# Addendum to the Subscription Agreement

All Changes Effective January 1, 2015

CalCPA ProtectPlus dental and vision coverage is available to Participating Employers who enroll 100% of their full-time employees (minimum 20 hour per week, or 30, if elected by the employer). Eligible employees may waive this coverage if they are covered by a group dental or vision plan. Waiving employees must provide proof of other group coverage.

Employers may elect to offer dental and/or vision insurance to their employees. Only one vision plan may be offered at a time.

Use the form below to add or change plan selections. Any employees enrolling in a new plan offering are required to complete and submit the "Delta Dental / Vision Service Plan Enrollment Form" (found at [www.cpaprotectplus.com/2015renewal](http://www.cpaprotectplus.com/2015renewal)). If you do not wish to change your plan selections, you do not need to complete this form.
