

2017 Small Group Medical Premium Rates

Groups with 2-99 Eligible Employees

Effective January 1, 2017

Groups with 2-99 Eligible Employees Instructions for Calculating Premium Rates

In accordance with the Affordable Care Act (ACA), rates are assigned to each employee and dependent and are based on plan selection, age, and residential area.

Plan Selection: The Group Insurance Trust (GIT) of the California Society of CPAs offers 17 copay, HRA, HSA, and HMO plans within the Anthem PPO, Anthem Select PPO, and Anthem HMO networks. HRA and HMO plans are not available to groups of one eligible employee.

***Area:** The residential area for an employee can be determined using the county/zip code grid below. The residential area for an employee will determine the area for all dependents. If an employee resides outside of California, the county/zip code of the firm headquarters should be used.

| Area | Counties | Area | Counties |
|------|---|------|--|
| 1 | Alpine, Amador, Butte, Calaveras, Colusa, Del Norte, Glenn, Humboldt, Lake, Lassen, Mendocino, Modoc, Nevada, Plumas, Shasta, Sierra, Siskiyou, Sutter, Tehama, Trinity, Tuolumne, Yuba | 11 | Fresno, Kings, Madera |
| 2 | Marin, Napa, Solano, Sonoma | 12 | San Luis Obispo, Santa Barbara, Ventura |
| 3 | El Dorado, Placer, Sacramento, Yolo | 13 | Imperial, Inyo, Mono, |
| 4 | San Francisco | 14 | Kern |
| 5 | Contra Costa | 15 | Los Angeles: All Zips except those listed in Area 16 |
| 6 | Alameda | 16 | Los Angeles: Zips beginning with 900-905, 913, 914 & 916 |
| 7 | Santa Clara | 17 | Riverside, San Bernardino |
| 8 | San Mateo | 18 | Orange |
| 9 | Monterey, San Benito, Santa Cruz | 19 | San Diego |
| 10 | Mariposa, Merced, San Joaquin, Stanislaus, Tulare | | |

****Age:** The age for an employee or dependent will be calculated as of the firm's renewal date, and will remain the same for the entire plan year. For new firms joining mid-year, the age will be calculated using the coverage effective date.

Under the Affordable Care Act, family (employee + one or more dependents) premiums are calculated by adding the individual rates for each family member; with the exception that in families with more than three children under age 21, only the first three children under 21 are factored into the premium calculation along with the family members age 21 and older. The ACA mandates an age-based increase every year for members between the ages of 25 and 64.
